

## Correction

### Drugs in breastfeeding

*Aust Prescr 2015;38:156-9*

Iodine has been deleted from the Summary and the Table as it is not contraindicated during breastfeeding.

## Looking for something?

You can search the *Australian Prescriber* website by using the Search function, or by accessing the online index (author and subject) at [www.australianprescriber.com/index](http://www.australianprescriber.com/index). You can also download a PDF of the five-year index and print it.

## Coming soon

A new update for The Doctor's Bag app, the inclusion of midazolam, will be released soon. Watch out for update alerts.

## SUBSCRIPTIONS

*Australian Prescriber* publishes six issues a year, in print and online. All content is accessible free of charge in full text at [www.australianprescriber.com](http://www.australianprescriber.com). Articles are also published between issues Online First.

**An email alert** can be sent to you when *Australian Prescriber* publishes new articles online. Subscribe or update your details at [www.australianprescriber.com](http://www.australianprescriber.com)

**The print copy** is distributed free of charge to medical practitioners, dentists and pharmacists in Australia. Subscribe or update your details:
