

Correction

Correcting iron deficiency

Aust Prescr 2017;40:41

<http://dx.doi.org/10.18773/austprescr.2016.096>

The article by Jonathan Baird-Gunning and Jonathan Bromley on correcting iron deficiency (*Aust Prescr* 2016;39:193-9) has been corrected.

The Ferro-liquid line in Table 3 (Oral iron preparations) was incorrect. The Formulation should read Ferrous sulfate 30 mg/mL, not Ferrous sulfate, and the Elemental iron content should be 6 mg/mL, not 30 mg/mL.
