Why am I using PHARMACY ACTION Cold & Flu PSE?

PHARMACY ACTION Cold & Flu PSE contains the active ingredients paracetamol and pseudoephedrine

hydrochloride. Paracetamol works to stop the pain messages from getting through to the brain. It also acts in the brain to reduce fever. Pseudoephedrine hydrochloride belongs to a group of medicines called sympathomimetic decongestants. It works by reducing congestion in the upper respiratory tract, including the nose, nasal passages and sinuses, making it easier to breathe.

PHARMACY ACTION Cold & Flu PSE is for the temporary relief from the following cold & flu symptoms: nasal congestion, sinus pain, runny nose, headache, body aches & pains. Reduces fever.

What should I know before I use PHARMACY ACTION Cold & Flu PSE?

Warnings

Do not use PHARMACY ACTION Cold & Flu PSE if:

- you are allergic to paracetamol, pseudoephedrine hydrochloride, or any of the ingredients listed at the end of this leaflet.
