1. Why am I using APOHEALTH URINARY TRACT ANTIBACTERIAL?

APOHEALTH URINARY TRACT ANTIBACTERIAL

contains the active ingredient **methenamine hippurate**, which has an antibacterial action against

bacteria in the urine that cause urinary tract infections.

APOHEALTH URINARY TRACT ANTIBACTERIAL helps prevent or slow the growth of bacteria that cause urinary tract infections so that they occur less frequently.

2. What should I know before I use APOHEALTH URINARY TRACT ANTIBACTERIAL?

Warnings

Do not use APOHEALTH URINARY TRACT ANTIBACTERIAL if:

- you are allergic to methenamine hippurate, formaldehyde or any of the ingredients listed at the end of this leaflet.
- Always check the ingredients to make sure you can use this medicine.
