1. Why am I being given COMIRNATY Original/Omicron BA.4-5?

COMIRNATY Original/Omicron BA.4-5 contains the active ingredients tozinameran and famtozinameran. COMIRNATY Original/Omicron BA.4-5 is an

mRNA (messenger ribonucleic acid) vaccine.

COMIRNATY Original/Omicron BA.4-5 is a vaccine given as a booster dose to prevent COVID-19 disease caused by SARS-CoV-2 virus in individuals 12 years of age and older. COMIRNATY Original/Omicron BA.4-5 is only given as booster doses. For primary vaccination, ask your doctor or pharmacist.

COMIRNATY Original/Omicron BA.4-5 works by triggering your immune system to produce antibodies and blood cells that work against the virus, to protect against COVID-19 disease
