4. How do I use Aciclovir Accord?
5. What should I know while using Aciclovir Accord?
6. Are there any side effects?
7. Product details

1. Why am I using Aciclovir Accord?

Aciclovir Accord contains the active ingredient aciclovir. Aciclovir belongs to a group of medicines called antivirals. It works by preventing the reproduction of the virus which is causing the condition.

Aciclovir Accord is used for the management of several different infections caused by viruses, such as herpes and shingles.
