#### 1. Why am I using Noumed Rabeprazole?

---

**Noumed Rabeprazole contains the active ingredient rabeprazole sodium.** Noumed Rabeprazole is a proton pump inhibitor (PPI). It works by decreasing the amount of acid the stomach makes, to give relief from the symptoms and allow healing to take place. Your food will still be digested in the normal way.

**Noumed Rabeprazole is used to treat gastro oesophageal reflux disease (GORD), gastric and duodenal ulcers and chronic gastritis.**
